

FRICITIONLESS CLIMATE ACTION

Your Next Steps with Conil

We're excited to support your carbon offsetting journey — a transparent, simplified platform designed to help organizations offset emissions seamlessly.

- 1 Explore Conil
- 2 Choose a Plan
- 3 Complete KYC
- 4 Access Dashboard
- 5 Begin Offsetting

Thank you for taking the time to connect with us. Below is your complete onboarding roadmap — follow each step to begin retiring carbon credits on the Conil platform.

01 GET STARTED Explore Conil

Visit our website to learn more about our mission, platform capabilities, and available carbon projects.

1 Visit conil.eco

- About Conil & our mission
- Platform features overview
- Available carbon credit projects
- Offset retirement process
- FAQs and support resources

02 SUBSCRIBE Choose a Subscription Plan

Select a plan based on your organization's expected offsetting requirements. Our plans scale with your sustainability goals.

Start with the Free Plan

Explore the platform at no cost — upgrade anytime as your offsetting requirements grow.

2 Choose a Subscription Plan

- Small teams
- Distributed organizations
- Growing sustainability initiatives
- Enterprise-scale requirements

03 VERIFICATION Complete KYC Verification

After subscribing, complete the KYC verification process to activate your account and enable transactions.

Company registration details

Authorized representative information

Basic compliance documentation

This ensures transparency, secure transactions, and verified participation in carbon markets.

04 PLATFORM ACCESS Access Your Dashboard

Once your subscription and verification are complete, you'll gain full access to the Conil dashboard.

01 Browse verified carbon projects

02 Estimate offsetting requirements

03 Purchase carbon credits

04 Retire credits instantly

05 Download retirement certificates

06 Track offsetting activity transparently

05 YOU'RE READY Begin Your Offsetting Journey

You're now ready to start offsetting with Conil. Our platform is designed to make carbon offsetting simple, transparent, and accessible — essentially in just a few clicks.
